It's the coolest ninja matchup you could have ever dreamed of, had you dared! The Heroes in a Half-Shell meet the host of the Nine-Tailed Fox in the crossover everyone will be talking about.

When teenage reporter April O'Neil has a clandestine meeting with Tsunade, the leader of the Hidden Leaf Village, it garners the attention of Naruto, Sasuke, Sakura, and Kakashi. They aren't the only ones who are wondering what the two women were discussing, though. The sinister Foot Clan have their own interest in April's visit, as they think she might hold the valuable information on mutation research being conducted by the scientist Baxter Stockman. With April caught between the forces of the Hidden Leaf Village and the Foot Clan, it can't be long before the Teenage Mutant Ninja Turtles show up to lend her a hand!

Working with acclaimed manga publisher Viz Entertainment, IDW is pulling together two of the most popular comics in the world to bring you the four-issue comic book event of 2024!

Warp into the action with *Star Trek's* first-ever interactive original graphic novel!

Mariner just wants to have a normal day, but no matter what side of the bed she wakes up on, the world is ending. Literally. If she has coffee, Borg attack! If she has raktajino, cue the Romulan boarding party! And in each scenario, Mariner and her friends end up dead, sometimes the ship is destroyed—and the day starts all over again.

But by exploring the different paths, you, the reader, can discover things that Mariner can't. There are inconsistencies that don't make sense—putting aside the fact that Mariner's choice of drink each morning shouldn't affect which alien races attack the ship, other facts of her world seem to change too. Something is definitely off. It's up to you to discover!

The third arc of the critically acclaimed *Star Trek* flagship comic series continues in paperback collection! Benjamin Sisko is called out of retirement to defeat the Tzenkethi Coalition!

Captain Benjamin Sisko's quest to defeat the killer of gods is at an end, and the Prophets beckon him home to the Celestial Temple. He's earned his rest, but he no longer wants to retire into godhood. So when Starfleet requests his help to stop a familiar foe, the Tzenkethi Coalition, from launching their fleet across the Alpha Quadrant, Sisko and the *Theseus'* crew set out to once again save the galaxy. They team up with Operative Kingsnake (a.k.a. HARRY KIM), but the Tzenkethi leader has surprising allies of his own: the Romulans! There's a reason this species of spiritually rich, lizard birds has twice defeated Starfleet in battle. They're xenophobic, ruthless, and innovative...and confronting them on their home turf, a planet thought to be an organism itself, is a death sentence.

In this paperback follow up to *Star Trek, Vol. 1: Godshock* and *Vol. 2: The Red Path*, Volume 3 collects *Star Trek* issues #13–18 by writers Collin Kelly & Jackson Lanzing with artist Marcus To.

In the words of some famous old manster, "Imitation is the sincerest form of flattery." Well, no offense to that, boo, but...I disagree.
I mean, each Hallow's Eve normies wrap themselves in toilet paper and bedsheets and call themselves monsters? As if their flannel rags could touch our Clawdeen Wolf booriginal designs... Ghouls, there is nothing scarier than a bad costume.

Luckily, Headmaster Frankenstein and Draculaura are throwing a carnival for the real monsters guaranteed to genuinely send chills down their spines. Monster High is packed with booths: whack-a-molar, pin the wing on the dragon, spiderweb candy, and even a *maze of frightmares*. Halloween may be a boring normie howliday, but you never know what, or who, might be lurking around the coroner. Happy Halloween, ghouls.

Though the ghouls of Monster High love to lurk in the shadows, living in Dracula's larger-than-unlife shadow is starting to make Draculaura's faboolous pigtails droop.

Draculaura has always strived to make Dracula happy by being the perfect vampire, packing her schedule with fearleading practices, creative frighting assignments, and student bloody council meetings. But after her father's tragic death, Draculaura is tasked with becoming Monster High's protector, which requires a shocking number of even more duties, assignments, and meetings. The poor little vampire can hardly find time to fang out with her beasties. If I were her ghoulfriends, I would schedule a creepover before she boo-lows up.

THE MOON & SERPENT BUMPER BOOK OF MAGIC

352 Pages • $49.99 • OCT 2024
HC • ISBN 9781603095501

Story
Alan Moore, Steve Moore

Art
Kevin O'Neill, John Coulthart, Steve Parkhouse, Rick Veitch, Melinda Gebbie, and Ben Wickey

The most acclaimed writer in comics history, Alan Moore, joins his late mentor Steve Moore (no relation) for one last graphic grimoire: a sprawling and stunning introduction to magic in all its timeless forms, brought to life by six wondrous and whimsical artists.

Splendid news for enquiring minds, and guaranteed salvation for humanity! Messrs. **Steve** and **Alan Moore**, proprietors of the celebrated Moon and Serpent Grand Egyptian Theatre of Marvels (sorcery by appointment since circa 150 AD), have produced a clear and practical grimoire of the occult sciences that offers endless necromantic fun for all the family. Exquisitely illuminated by a host of adepts including **Kevin O'Neill, John Coulthart, Steve Parkhouse, Rick Veitch, Melinda Gebbie,** and **Ben Wickey**, this marvellous and unprecedented tome promises to provide all that the reader could conceivably need in order to commence a fulfilling new career as a diabolist.

Its contents include profusely illustrated instructional essays upon this ancient sect's theories of magic, notably the key dissertation "Adventures in Thinking," which gives reliable advice as to how entry into the world of magic may be readily achieved. Further to this, a number of "Rainy Day" activity pages present lively and entertaining things to do once the magical state has been attained, including such popular pastimes as divination, etheric travel, and the conjuring of a colourful multitude of spirits, deities, dead people, and infernal entities from the pit, all of whom are sure to become your new best friends. Also contained within this extravagant compendium of thaumaturgic lore is a history of magic from the last ice age to the present day, told in a series of easy-to-absorb pictorial biographies of fifty great enchanters and complemented by a variety of picture stories depicting events ranging from the Palaeolithic origins of art, magic, language, and consciousness to the rib-tickling comedy exploits of Moon and Serpent founder Alexander the False Prophet ("He's fun, he's fake, he's got a talking snake!").

In addition to these manifold delights, the adventurous reader will also discover a series of helpful travel guides to mind-wrenching alien dimensions that are within comfortable walking distance, as well as profiles of the many quaint local inhabitants that one might bump into at these exotic resorts. A full range of entertainments will be provided, encompassing such diverse novelties and pursuits as a lavishly decorated, decadent pulp tale of occult adventure recounted in the serial form. Completing this almost-unimaginable

THE MOON AND SERPENT BUMPER BOOK OF MAGIC © ALAN MOORE AND STEVE MOORE.

treasure trove is a lengthy thesis revealing the ultimate meaning of both the Moon and the Serpent in a manner that makes transparent the much-obscured secret of magic, happiness, sex, creativity, and the known Universe, while at the same time explaining why these lunar and ophidian symbols feature so prominently in the order's peculiar name. (Manufacturer's disclaimer: This edition does not, however, reveal why the titular cabal of magicians consider themselves to be either grand or Egyptian. Let the buyer beware.)

A colossal and audacious publishing triumph of three hundred and fifty-two pages, beautifully produced in the finest tradition of educational literature for young people, *The Moon and Serpent Bumper Book of Magic* will transform your lives, your reality, and any spare lead that you happen to have lying around into the purest and most radiant gold.

Book design by John Coulthart. Co-published by Top Shelf Productions & Knockabout Ltd (UK).
